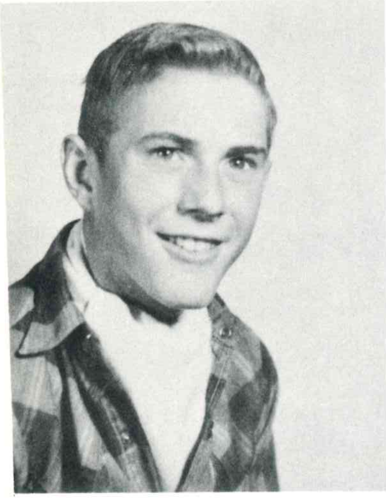
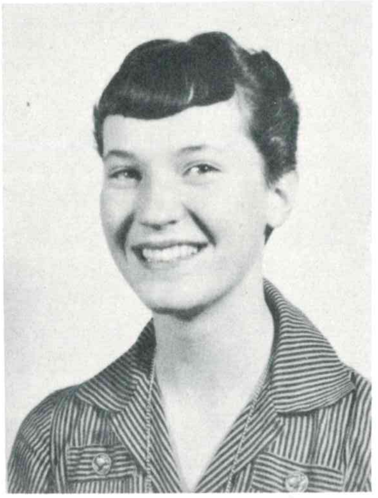
All Around Boy and Girl

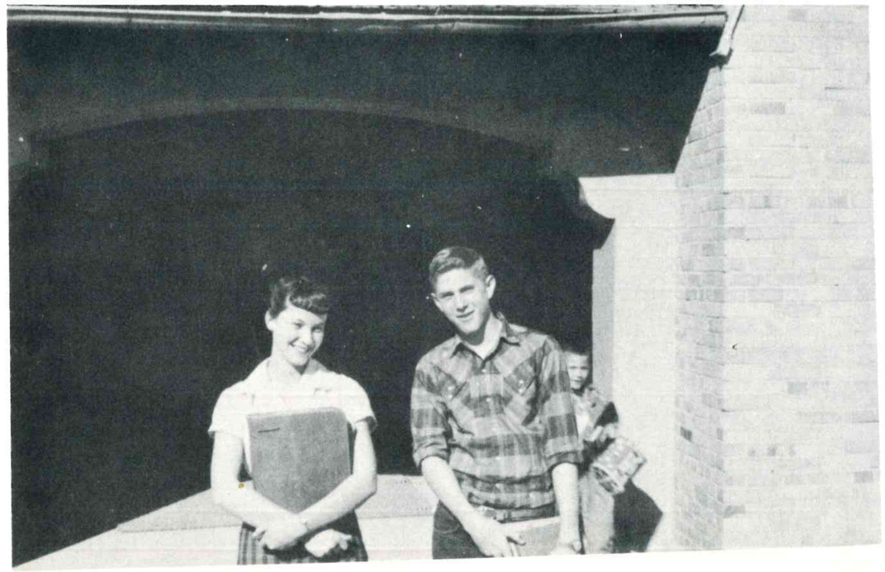


PAUL ROWAN



SANDRA RICHARDS

This year we had an election to choose an all around boy and girl to represent our school. Requirements were (1) Must be a high school student, (2) Must have a three plus average (3) Must be active in some activity of the school (band, basketball etc.) Voters from the fifth to the tenth grades chose Sandra Richards and Paul Rowan as our "All Around Boy and Girl."



This year for valentines the high school had a dance and invited the seventh and eighth grades. It was very cozily dark and the dance lasted until midnight!

They even had a floor show with theme "If I Give My Heart To You"

Refreshments wer served, and everyone had a wonderful time.

Our Band

We are very proud of our band this year. We have increased the number of majorettes from 1 to 3, and are trying to raise money to have new band uniforms in the future.

At the Christmas Parade in Winslow our band took second place for the second consecutive year.

The band also marched and played for the dedication of the new Post Office in February, 1958.

. . . OR DOES IT?

Some of the world's political systems just don't add up. So when you hear talk of Utopia (a much used name derived from the Greek for "nowhere"), be ready to question; see if it figures! Chances are it won't add up to the individual freedom of our own system of free enterprise ...won't have as fair a setup as taxation according to income...won't include a choice of where we work or what we do with our money. Look over our own competitive system closely...it's not perfect but it works just fine...and we're free to improve it!
